

Business Development Manager

Position Type: Sales/Marketing

Position Location: Several locations throughout Ontario

Hours: Full-Time

Position Summary:

We are searching for a highly motivated and energetic sales person to develop business relationships with customers and clients in an assigned territory. This position requires a sales person to obtain new training and consulting contracts as well as the coordination of personal sale activities in the rapidly growing and important area of Environmental, Health and Safety.

Ideal candidates are organized and work well with self direction.

- have excellent communication skills in English (secondary languages desirable)
- have a good knowledge about health and safety training
- have excellent computer skills
- are self motivated
